OWNER'S MANUAL

PLEASE READ BEFORE OPERATING THIS EQUIPMENT.

MODEL: MMA3685

FCC NOTICE:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

FCC STATEMENT

- 1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received, including interference that may cause undesired operation.
2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

LOCATION OF CONTROLS:

- 1. 5V/AUX (In) PORT (For Charge and Aux/Line In)
2. USB Port
3. Micro SD Card Slot
4. LED Display
5. MODE Button
6. M/V- Button
7. M Button
8. M/V+ Button
9. Power On-Off/Decorative Light On-Off Button

POWER SOURCE:

The unit has a built-in Li-ion rechargeable battery, charge it before first time use or when it is drained as follows:

- 1. Connect the Micro USB Plug from supplied Connection Cable to the 5V/AUX (In) Port on the top of unit.
2. Connect the full size USB Plug from supplied Connection Cable to the USB Port on the Personal Computer or USB Charger (Computer and USB Charger not included).

- 3. When charging, the Red Charge Indicator inside the 5V/AUX (In) PORT will illuminate. When charging is complete, it will turn off.
4. During charging, you can also play and listening music at the same time.

Notes:

- Your battery will last longer if you following these simple guidelines for caring and storing:
A. Before first time use, recharge the unit approximately 4 hours until the unit is fully charged.
B. Charge and store the unit within the temperature range of 5°C - 35°C (40°F - 95°F).

- C. Do not overcharge (longer than 24 hours). Excessive charging or running the unit until battery fully drains will damage battery. Battery life will be extended if you keep the battery fully charged.
D. Battery life naturally shortens slowly over time.
E. The rechargeable battery incorporated in this product is not user replaceable.

OPERATION:

General Operation:

- 1. Recharged the built-in Li-ion battery as previously instructed.
2. Press and hold the Power On-Off/Decorative Light On-Off Button until the LED Display illuminate to power on the unit.
