

SIZE: 70x158mm

MAGNAVOX

PORTABLE SPEAKER with LED Torch Light and Bluetooth® Wireless Technology

OWNER'S MANUAL

MODEL: MMA3626

FCC NOTICE:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

FCC STATEMENT

- 1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received, including interference that may cause undesired operation.
2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC WARNING:

To assure continued operation, follow the attached installation instructions and use only shield cables when connecting to other devices. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

POWER SOURCE: The unit has a built in Li-ion rechargeable battery, recharge it before use or when the battery is drained as follows:
1. Connect the Micro USB Plug from the supplied USB Connection Cable to the Micro USB Port on the rear of unit.
2. Connect the full sized USB Plug from the supplied USB Connection Cable to the USB Port on Computer or USB Charger (Not included). Charging will automatically start.

Notes: Your battery will last longer if you're following these simple guidelines for charging and storing.
A. Before first time use (or recharge it when the battery is drained), charge it approximately 3 hours.

- B. Recharge and store the unit within the temperature range of 5°C~35°(40°F~95°F).
C. Do not charge longer than 24 hours. Excessive charging or running the unit until battery fully drains will damage battery. Battery life will be extended if you keep the battery fully charged.
D. Battery life naturally shortens slowly over time.
E. The rechargeable battery incorporated in this product is not user replaceable.

OPERATION: General Operation:
1. Recharged the built in Li-ion battery as previously instructed.
2. Slide the Power ON/OFF Switch to ON position to power on the unit. The Blue Indicator on the rear of unit will illuminate.
3. Press and hold the r/M Button repeatedly to switch to desired playback mode. The unit will sound the prompt with your selection (see list below):

Table with 2 columns: Playback Mode and Voice Prompt. Rows include BT (Bluetooth), TF (Micro SD) Card, and USB.

- 4. During playback, press and holding the + or - Buttons to adjust volume level as desired.
5. When finished listening, slide the POWER ON/OFF Button to OFF position to shut off the unit.

Flashlight: In power on mode, press the light icon button to power on Flashlight, press again to shut it off.

BT Mode: BT (Bluetooth) pairing: First time use or re-pairing the unit to a new BT Device, pair as follows:
1. Power on the unit and enter to BT mode as previously instructed. The Blue Indicator on the rear of unit will illuminate and blink. The unit also will sound a prompt "Bluetooth ready for connection".
2. Power on the external BT Device and enter to BT searching mode. Start pairing following the on screen instructions from the external BT Device. When paired, the unit will sound a prompt "Bluetooth connected" and the Blue Indicator will stop blinking.

- 3. If pairing is complete you may now play music and answer calls with your external BT Device.
4. During playback:
• Press the r/M Button on the unit to pause, press again to resume normal playback.
• Press and hold the + or - Buttons to adjust volume level as desired.
• Press and release the + or - Buttons repeatedly to skip tracks.
5. If the unit is paired to a Cell Phone and a call is incoming during an active music session, press the r/M Button to pause the music playback. Then speak to the built in microphone to answer the call. When your call is complete, press the r/M Button to end the call and resume to music playback.

Notes:
1. When the external BT Device searched the unit, our model number "MMA3626" will appear on the display of external BT Device.
2. If while pairing you are asked for a code please try "0000" or "1234".

- Normal operation after pairing:
1. Power on the external BT Device and enter to BT playback mode.
2. Power on the unit and enter to BT mode as previously instructed. The Blue Indicator on the rear of unit will illuminate and blink. The unit also will sound a prompt "Bluetooth ready for connection".
3. Wait a few seconds until the unit is automatically paired to the external BT Device. The unit will sound a prompt "Bluetooth connected" and the BT Indicator will stop blinking.
4. After pairing is complete you may now play music and answer calls with your external BT Device.

TF (Micro SD) Card Playback Mode: To play the music in Micro SD Card:
1. In power off mode, insert the Micro SD Card (not included) into the TF (Micro SD) Card Slot on the rear of unit with contacts facing up as illustrated below:

- 2. Power on the unit and enter to TF (Micro SD) Card mode as previously instructed. The unit also will sound a prompt "Memory Card" then automatically play the music in it.
3. During playback:
• Press the r/M Button to pause, press again to resume normal playback.
• Press the + or - Buttons repeatedly to skip tracks.

USB Device Playback Mode: To play the music in USB Device:
1. In power off mode, insert the USB Device (not included) into the USB Port on the rear of unit as illustrated below:

- 2. Power on the unit and enter the USB mode as previously instructed. The unit will sound a prompt "USB". then automatically play the music in the it.
3. During playback:
• Press the r/M Button to pause, press again to resume normal playback.
• Press the + or - Buttons repeatedly to skip tracks.

Notes:
• Up to 8 GB Micro SD Card/USB Device the unit supports to play.
• Before replacing Micro SD Card/USB Device, make sure the unit has been powered off.
• When inserting the Micro SD Card/USB Device, make sure the direction you selected is correct. Never insert violently to avoid damaging the Micro SD Card/USB Device or the unit.
• If it doesn't work, please check if the direction is correct.
• You also need to download the desired music in MP3 format into the Micro SD Card/USB Device before insert into the unit.
